

## **PUBLICATION/ PRESENTATION**

1. Title:-Role of ESWL in management of paediatric urolithiasis:our experience of 24 cases by Dr. Khalid Mahmood .USICON 2009 Indore.
2. Title:- Congenital solitary kidney with obstructive uropathy:-Our experience of 12 cases;BY DR.C.Soren USICON 2009 Indore.
3. Comparative study of Extracorporeal shock wave lithotripsy and ureterscopy for the treatment of lower ureteric stone with respect to efficacy and complication.Dr.Shashi Dharan.USICON 2009 Indore.
4. Title:- Role of buccalmucosal urethroplasty in recurrent female urethral urethra-our experience of 24 cases. Dr. Khalid Mahmood .USICON 2009 Indore.
5. Title:- TOT in management of stress incontinence-our experience:- Dr.Sanjay Gupta USICON 2009,Indore.
6. Title;-Post prostatectomy voiding dysfunction :-Dr.Champai Soren,EZUSICON 2008.Kolkata.
7. Title;-A case report of prune belly syndrome.

## **RESEARCH (2009-10)**

### **RESEARCH COMPLETED**

1. Observation on serum PSA of tribal population of age group ranging from 40-80 years in Chhotanagpur plateau, Jharkhand.
2. Incidence of detrusor overactivity in patients of LUTS due of Benign prostatic hyperplasia.

### **RESEARCH CONTINUING**

1. Role of ESWL in management of ureteric stones.
2. Clinical appraisal of ESWL in paediatric urolithiasis.

## **PUBLICATION/ PRESENTATION**

1. Adult presentation of penoscrotal hypospadias-our experience. DR. Sanjay Gupta ,IJU,USICON-2010.
2. Traumatic vesicovaginal fistula of thigh-a case report. Dr.Shashi Dharan,IJU,USICON 2010.
3. Buccal mucosa graft urethroplasty for bulbo penile urethral stricture-our experience. Dr.Shashi Dharan,IJU,USICON 2010.
4. Penile strangulation by rubber band-A case report of 3 cases

## **PUBLICATION/ PRESENTATION (2011-12)**

- i. Tubularized incised plate urethroplasty for proximal hypospadias-our experience, IJU, USICON-2011
- ii. Extracorporeal shock wave lithotripsy in management of lower ureteric stones-our experience. IJU, USICON-2011

- iii. Vesical stone formation around and intravesical migrated intrauterine contraceptive device. IJU,USICON-2011
- iv. Renal Echinococcosis with hydatiuria-a case report. IJU, USICON-2011
- v. Outcome of Extracorporeal shock wave lithotripsy in the paediatric age group. IJU, USICON-2011
- vi. Extracorporeal shock wave lithotripsy in management of lower ureteric stones-our experience. IJU, USICON-2011
- vii. Role of diuresis in post ESWL clearance of lower pole renal calculi. IJU, USICON-2011
- viii. Complications of Intravesical BCG instillation: Our experience,. IJU, USICON-2011.

### **PUBLICATION/ PRESENTATION (2012-13)**

1. Clinical presentation and histological evaluation of renal tumor: Single centre experience of 40 cases. IJU, USICON-2013, Pune.
2. Perirenal urinomas in a women during the post partum period: A rare presentation. IJU, USICON-2013, Pune
3. Evaluation of renal histopathological changes as predictor of recoverability of renal function in unilateral ureteropelvic junction obstruction following pyeloplasty. IJU, USICON-2013, Pune.
4. Pleomorphic sarcoma of scrotum: A rare clinical entity. IJU, USICON-2013, Pune.

### **PRESENTATION (2011-12)**

1. Tubularized incised plate urethroplasty for proximal hypospadias-our experience, IJU, USICON-2011.
2. Extracorporeal shock wave lithotripsy in management of lower ureteric stones-our experience. IJU, USICON-2011.
3. Vesical stone formation around and intravesical migrated intrauterine contraceptive device. IJU,USICON-2011.
4. Renal Echinococcosis with hydatiuria-a case report. IJU, USICON-2011Outcome of Extracorporeal shock wave lithotripsy in the paediatric age group. IJU,USICON-2011.
5. Shock wave lithotripsy in management of lower ureteric stones-our experience. IJU, USICON-2011.
6. Role of diuresis in post ESWL clearance of lower pole renal calculi. IJU, USICON-2011.
7. Complications of Intravesical BCG instillation: Our experience,. IJU, USICON-2011.

### **PRESENTATION (2012-13)**

- 1) Clinical presentation and histological evaluation of renal tumor: Single centre experience of 40 cases. IJU, USICON-2013, Pune.
- 2) Perirenal urinomas in a women during the post partum period: A rare presentation. IJU, USICON-2013, Pune.
- 3) Evaluation of renal histopathological changes as predictor of recoverability of renal function in unilateral ureteropelvic junction obstruction following pyeloplastsy. IJU, USICON-2013, Pune.
- 4) Pleomorphic sarcoma of scrotum: A rare clinical entity. IJU, USICON-2013, Pune.

### **PUBLICATION/ PRESENTATION (2011-12)**

- 1) Tubularized incised plate urethroplasty for proximal hypospadias-our experience, IJU, USICON-2011.
- 2) Extracorporeal shock wave lithotripsy in management of lower ureteric stones-our experience. IJU, USICON-2011.
- 3) Vesical stone formation around and intravesical migrated intrauterine contraceptive device. IJU, USICON-2011.
- 4) Renal Echinococcosis with hydatiuria-a case report. IJU, USICON-2011.
- 5) Outcome of Extracorporeal shock wave lithotripsy in the paediatric age group. IJU, USICON-2011.
- 6) Extracorporeal shock wave lithotripsy in management of lower ureteric stones-our experience. IJU, USICON-2011.
- 7) Role of diuresis in post ESWL clearance of lower pole renal calculi. IJU, USICON-2011.
- 8) Complications of Intravesical BCG instillation: Our experience,. IJU, USICON-2011.

### **PUBLICATION/ PRESENTATION (2012-13)**

- 1) Clinical presentation and histological evaluation of renal tumor: Single centre experience of 40 cases. IJU, USICON-2013, Pune.
- 2) Perirenal urinomas in a women during the post partum period: A rare presentation. IJU, USICON-2013, Pune.
- 3) Evaluation of renal histopathological changes as predictor of recoverability of renal function in unilateral ureteropelvic junction obstruction following pyeloplastsy. IJU, USICON-2013, Pune.
- 4) Pleomorphic sarcoma of scrotum: A rare clinical entity. IJU, USICON-2013, Pune.
