

Memo No.: / Acad.

Dated:

Office Memorandum

Consequent upon the approval of competent authority, following decisions have been taken in the interest of upliftment of academic activities of the Institute:

- (i) All the Professors & Heads/Chiefs are requested to send a proposal, one extramural and one intramural research project, positively by 31st July, 2023.
- (ii) Thesis of PG/DM/MCh is to be submitted in a way that it must include some original experimental or clinical work, so that objective of getting the thesis related research paper published in good impact factor journal may be achieved.
- (iii) Faculty members, who are interested in undergoing a refresher course for research methodology, statistical methods of research and evidence-based medicine, should submit their name by 15th February, 2023, so that five (05) days workshop may be organised at IGIMS for covering all the aspects.
