OFFICE ORDER

It has been observed that MBBS students of 2022 batch has been frequently bunking classes without any prior approval/ permission/ information from the concerned authority. This has become a regular phenomenon which is not only against NMC norms but also violation of IGIMS university rules & regulations and hence not at all acceptable as it has crossed all limits.

The students who will be unable to attain the minimum qualifying attendance as per NMC guideline (75% in theory and 80% in practical) will not be sent up for regular university examinations and for that students themselves will remain responsible. Institute authority won't do anything in this matter.

This matter of mass bunking has already been communicated to the parents through SMS from the office of the undersigned.
