Sub: Recognition of Indira Gandhi Institute of Medical Sciences, Patna as NMC Regional Centre for Medical Education Technology - reg.

Sir,

I am pleased to inform you that the National Medical Commission has approved to accord the status of **NMC Regional Centre for Medical Education Technology to Indira Gandhi Institute of Medical Sciences, Patna** following the On-site Verification carried out by NMC representatives. The **Convener of the Medical Education Department** of your Institute would be given necessary training in the conduct of the revised Basic Course Workshop in MET at NMC on a date that will be intimated to you later by NMC-nominated Expert group members. Attendance at this Orientation meeting is mandatory. Kindly send your acceptance of the above offer.

The formal inauguration of the Regional Centre may be arranged, in consultation with the undersigned to coincide with the conduct of the first revised Basic Course Workshop in MET for the in-house faculty of RC, IGIMS, Patna.

You are requested to send the name & contact details (including e-mail ID) of the Convener and Co-convener of the designated Regional Centre at your college to Dr. M. Rajalakshmi, Chief Consultant, Academic Cell (academiccell@gmail.com) with immediate effect so that necessary formalities can be completed. The Convener and Co-convener of the Regional Centre will occupy this position for a minimum period of three years and can be changed only with permission from the Commission. The list of colleges which will be allotted to the Regional Centre at your institution will be conveyed to the Convener of the Centre in due course by the UG MEB/Academic Cell.

In view of the above, you are requested to take necessary and adequate steps to conduct the first revised Basic Course workshop on Medical Education Technology for the in-house faculty of Medical Education Department, Curriculum Committee members & resource faculty of RC coinciding with the inauguration of the Regional Centre.
