सतर्कता

पटना, हिन्दुस्तान ब्यूरो। कोरोना के गंभीर मरीजों की ही जीनोम सीक्वेंसिंग कराई जाएगी। 25 से कम सीटी वैल्यू वाले कोविड नमूनों की ही जीनोम सीक्वेंसिंग होगी। राज्य स्वास्थ्य समिति ने साफ किया है कि 25 से कम सीटी वैल्यू होने पर ही उन नमूनों की जांच के लिए आईजीआईएमएस पटना भेजें।

समिति के कार्यपालक निदेशक संजय कुमार सिंह की ओर से बुधवार को आदेश जारी कर सभी जिलाधिकारियों, अस्पताल अधीक्षकों, सिविल सर्जन, जिला सर्वेक्षण पदाधिकारी व संबंधित अधिकारियों को अवगत कराया गया है। बुधवार को जारी पत्र में कहा गया है कि जापान, अमेरिका, कोरिया, ब्राजील व चीन में कोविड के मामलों में वृद्धि देखी गई है। इस संबंध में 26 दिसंबर को जारी पत्र को विलोपित करते हुए सतर्कता बरतने का निर्णय लिया गया है। ओपीडी में आने वाले संदिग्ध मरीजों का सैम्पल लेकर कोविड की जांच कराएं। हवाई अड्डा व भीड़-भाड़ वाले इलाकों में रैंडम जांच कराते रहें। केंद्र व राज्य सरकार की ओर से पूर्व में जारी समस्त निर्देशों यथा स्क्रीनिंग सैम्पल कलेक्शन, रैंडम सैंपलिंग, उपचार, डिस्चार्ज आदि का पालन सुनिश्चित किया जाए। राज्य के सभी चिकित्सा संस्थानों को लॉजिस्टिक यथा मेडिकल ऑक्सीजन, पीएसए प्लांट्स, आरटीपीसीआर, एन-95 मास्क व दवाइयां आदि की उपलब्धता सुनिश्चित कर लें। समिति ने आवश्यक चिकित्सकीय तैयारियों के साथ ही सतर्कता बरतने की अपील की है।

तैयारियों की हुई समीक्षा: दूसरी ओर स्वास्थ्य विभाग के अपर मुख्य सचिव प्रत्यय अमृत ने सभी मेडिकल कॉलेज के अधीक्षक व प्राचार्य, सभी सिविल सर्जन सहित जिलों के स्वास्थ्य अधिकारियों के साथ वीडियो कॉन्फ्रेंसिंग की। इस बीते दिनों हुई मॉकड्रिल के दौरान चिकित्सकीय संस्थानों में आई कमियों को अविलंब दुरुस्त करने को कहा। राज्य के 12 पीएसए प्लांट में थोड़ी समस्या पाई गई। इसे अविलंब दुरुस्त कर लिया जाए। इसके अलावा कोरोना गाइडलाइन का पालन करने को कहा गया। बैठक में राज्य स्वास्थ्य समिति के कार्यपालक निदेशक संजय कुमार सिंह आदि मौजूद थे।

बिहार की झांकी का परेड में चयन नहीं

पटना। गणतंत्र दिवस पर दिल्ली में राजपथ पर होने वाली परेड में शामिल करने के लिए बिहार की झांकी का चयन इस बार भी नहीं किया गया है। रक्षा मंत्रालय द्वारा इसका चयन किया जाता है। पिछले कई वर्षों से बिहार की झांकी का चयन नहीं हो रहा है। 26 जनवरी, 2023 के लिए राज्य सरकार ने गयाजी डैम थीम पर झांकी का प्रस्ताव भेजा था। मालूम हो कि गया में फल्गू नदी में सालोंभर जल उपलब्धता को लेकर वहां रबर डैम (गयाजी डैम) का निर्माण किया गया है।

विमान खरीद का फैसला पैसे का दुरुपयोग : मोदी

पटना। भाजपा सांसद सुशील कुमार मोदी ने कहा है कि 250 करोड़ का 12-सीटर जेट प्लेन और 100 करोड़ का 10-सीटर हेलीकॉप्टर खरीदने का नीतीश सरकार का फैसला बिहार जैसे गरीब राज्य की जनता के पैसे का दुरुपयोग है। अब नीतीश कुमार विपक्षी एकता के लिए देशभर में दौरा करने वाले हैं। इसके लिए विमान खरीद से बिहार के खजाने पर 350 करोड़ से अधिक का बोझ डाला जा रहा है। 15 साल के शासनकाल में कोई विमान-हेलीकॉप्टर नहीं खरीदा गया तो अब किसके लिए खरीद की जा रही है।

कोढ़ा-मालदा एनएच-81 पर कटिहार में नया बाइपास बनेगा

पटना, हिन्दुस्तान ब्यूरो। कटिहार जिले के कोढ़ा से पश्चिम बंगाल के मालदा जाने वाली एनएच-81 के 100 किलोमीटर लंबी सड़क पर यातायात सुगम होगा। इसके लिए कटिहार शहर में एक और बाइपास के निर्माण का रास्ता साफ हो गया है। इसके निर्माण की मंजूरी केंद्रीय सड़क परिवहन राजमार्ग मंत्रालय ने दो दिनों पहले दी है। मालूम हो कि कटिहार में एक बाइपास पहले से स्वीकृत है। इस तरह वहां अब दो बाइपास होंगे। पूर्णिया-मनिहारी एनएच 131 पर पहले से बाइपास स्वीकृत है।

नये बाइपास की लंबाई 4.7 किलोमीटर की होगी। यह सड़क फोरलेन होगी। इसके निर्माण में 232 करोड़ खर्च होंगे। कोढ़ा से मालदा जाने वाली सड़क (एनएच-81) 100 किलोमीटर लंबी है। इसमें बिहार के हिस्से में करीब 45 किमी तो पश्चिम बंगाल में 55 किमी पड़ता है।

मोदी ने भी विमान खरीद की पहल की थी : संजय

पटना। जदयू प्रदेश उपाध्यक्ष संजय सिंह ने पूर्व उपमुख्यमंत्री पर पलटवार करते हुए कहा है कि उन्होंने स्वयं वित्त मंत्री रहते विमान खरीद की पहल की थी। छह-छह बार टेंडर किया गया, लेकिन किसी कंपनी ने टेंडर को नहीं भरा था। वजह साफ है जिस टेक्नोलॉजी और हाई सिक्योरिटी विमान की जरूरत बिहार सरकार को है वह कंपनियां पूरा नहीं कर पा रही थीं। भाड़े के विमान का कार्यकाल 31 दिसम्बर तक ही है। ऐसे में मुख्यमंत्री नीतीश कुमार कैसे घूमेंगे?

मुख्यमंत्री से की बिहार में राष्ट्रपति शासन लगाने की मांग

पटना। लोजपा (रामविलास) अध्यक्ष चिराग पासवान ने बिहार में राष्ट्रपति शासन लगाने की मांग की है। बुधवार को उन्होंने नई दिल्ली में केंद्रीय गृह मंत्री अमित शाह से मुलाकात की और अपनी मांग रखी। उन्होंने केंद्रीय मंत्री को इस संबंध में पत्र भी सौंपा। इसमें उन्होंने बिहार में बढ़ रहे अपराध, बालू खनन आदि की शिकायत की।

Raze ecosystem that abets J&K terror, says home min

Bharti.Jain@timesgroup.com

Union home minister Shah with LG Manoj Sinha at a meeting on J&K in New Delhi on Wednesday

New Delhi: Home minister Amit Shah on Wednesday, while appreciating the improvement in overall security situation in J&K, directed the Jammu & Kashmir police to identify the remaining terror "hotspots" in the Union Territory and accordingly remodel their security strategy to make these "trouble-free" within a limited time-frame.

Shah, who chaired separate review meetings on J&K and Ladakh here on Wednesday to take stock of the security scenario and progress of development works in the two UTs along with their respective Lieutenant Governors, stressed on the need to dismantle the terror ecosystem in J&K "comprising elements that aid, abet and sustain the terrorist-separatist campaign to the detriment of the well-being of common man". The reference appears to be clearly to overground workers, hybrid terrorists who indulge in a one-off terror act before going back to their normal routine, and terror sympathisers.

The J&K meeting — attended by LG Manoj Sinha, IB and RAW chiefs, heads of the central paramilitary forces and senior officials of the UT administration — saw Shah once again stressing on the need to follow zero-tolerance policy against terrorism.

TOI has learnt that Shah asked the J&K police to focus on prosecution and trial of terror accused, particularly those charged under the Unlawful Activities Prevention Act (UAPA), be it contesting their bail applications, analysing instances where they secure bail and filing appeals against bail orders. As many as 365 terror suspects were arrested in J&K until December 15 this year, up from 293 in 2021.

Sources told TOI that Shah also stressed on the need to use modern technology as a force multiplier in the fight against terrorism.

As per sources, there were 108 encounters in J&K until December 15 this year, up from 80 last year. As many as 175 terrorists have been killed so far in 2022, against 180 last year. Civilian killings are down to 31 this year (till December 15) against 40 in 2021, though civilians injured rose to 134 from 75 in the same period. Security personnel killed have declined to 31 this year (till December 15) from 35 in 2021.

During the 'development' component of the J&K review meeting, its chief secretary made a presentation underlining the UT's improved performance on various government/social sector indices. Current issues like the new J&K lease policy, which requires all lessees whose lease had expired to vacate the property/land, enabling renewal of lease through online auction was discussed. TOI has learnt that there won't be any rethink on the new lease policy despite many J&K politicians warning of its negative impact on the hotel and tourism industries.

During the meeting, Shah emphasised on timely completion of projects in J&K. He also directed officials to strive to achieve 100% saturation of beneficiaries under various schemes and ensure that the benefits of development reach every section of society.

Maha ex-minister Deshmukh walks out of jail after 14 mths

Former Maharashtra minister Anil Deshmukh with Ajit Pawar after being released from jail in Mumbai on Wednesday

Mumbai: After almost 14 months behind bars, former Maharashtra home minister and NCP leader Anil Deshmukh, 73, was released from Arthur Road jail on Wednesday. NCP leaders, half-a-dozen party MPs, MLAs and hundreds of party members greeted him as he emerged from prison, shouting slogans, holding placards and showering petals on him.

Deshmukh walked out of jail after the Bombay high court vacation bench on Tuesday declined the CBI's plea for a second extension of the HC order deferring bail to the ex-minister.

Besides his family members, Lok Sabha MP Supriya Sule, leader of opposition Ajit Pawar, state NCP president Jayant Patil, party MP Praful Patel and former ministers Chhagan Bhujbal and Dilip Walse Patil welcomed Deshmukh as he came out of prison. He was then taken in an open-top jeep to the Siddhivinayak temple and later to his residence in Worli.

Holding a copy of the Constitution, Deshmukh said from atop the jeep, "I have not committed any crime but was put in jail. I have faith in the Constitution of India. All allegations against me are baseless. (Ex-Mumbai police chief) Param Bir Singh had made an allegation of Rs 100 crore but later submitted an affidavit before Chandiwal saheb (the Justice Chandiwal Commission) in which he stated he had made the allegation on hearsay."

NCP workers began gathering outside Arthur Road jail from 3pm. They were carrying NCP flags and placards with 'Satyameva Jayate' written on them. Pooja Deshmukh, the ex-minister's daughter, was among the family members who welcomed him. Deshmukh thanked Sharad Pawar for his support.

CUET-PG from June 1-10 next year

New Delhi: The National Testing Agency (NTA) will conduct CUET-PG from June 1 to 10 next year. The application process will start in mid-March.

According to UGC Chairperson M Jagadesh Kumar, the second edition of the Common University Entrance Test for admission to post graduate courses in universities will be conducted in June. UGC had already announced the schdeule for CUET-UG test which will be conducted in May.

In the first edition of CUET, 66 universities participated. According to sources, the number is likely to surpass 100 this year.

"This is a great opportunity for students to try for admission to post-graduate programmes for their choice using the CUET-PG score," said Kumar. Central universities such as Delhi University and Banaras Hindu University which didn't participate in the first edition of the test in 2022 will also be part of the entrance test in 2023. TNN

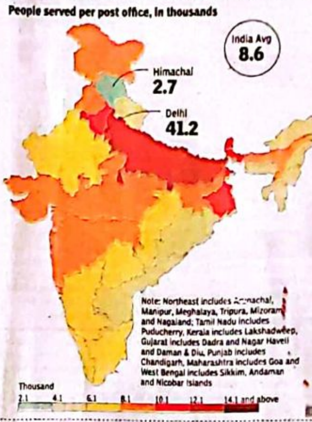
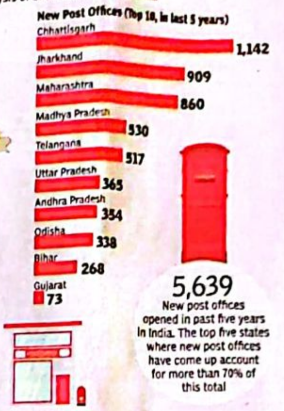
A POST OFFICE FOR 41K PEOPLE IN DELHI BUT IN HIMACHAL, ONE FOR EVERY 3K

There is a post office for about every 9,000 people in India, but the nationwide average hides massive disparities at the state level. Thus, while in hilly Himachal, there's a post office for every 2,700 people, at the other end of the spectrum are the more populous states like UP and Bihar. But the national capital outstrips the rest by far when it comes to the number of people served by a single post office, shows an analysis of data shared in Parliament.

People served per post office, in thousands



New Post Offices (Top 10, in last 5 years)



Savings Schemes Biggest Revenue Source

While there has been a decline in traditional services provided by post offices – as underlined by a dip in revenue from mail, parcel, money order, etc. – there is an increase in revenue from services like postal life insurance and rural postal life insurance

ED attaches assets of TN firm in ₹4k cr laundering case

TIMES NEWS NETWORK

New Delhi: In a Rs 4,000 crore bank fraud and money laundering case, the ED on Monday attached jewellery and other assets worth Rs 12 crore of the promoters of Chennai-based Surana group of companies. The total attachment in the case has exceeded Rs 125 crore so far.

The Surana group — Surana Industries Ltd, Surana Corporation Ltd, Surana Power Ltd — and their two promoters and associates have been accused in three cases of bank fraud involving Rs 3,986 crore, which is the principal outstanding amount to public sector banks, according to ED.

The agency has already filed a prosecution complaint (chargesheet) and a PMLA special court in Chennai has taken cognisance of the chargesheet, allowing the trial to begin against the accused. The ED initiated a PMLA investigation on the basis of a CBI FIR registered in Bengaluru. The agency carried out searches on the premises of the companies and their promoters in February last year and seized jewellery and cash.

"Investigation revealed that three Surana group companies have defrauded the banks by floating a web of shell companies that led to the accounts becoming NPA and an amount of Rs 3,986 crore remained principal outstanding," the ED has said in its attachment order.

The agency has said its investigation established that the jewelleries and cash seized had been allegedly derived out of the proceeds of crime siphoned off from the borrowed fund from banks which was routed to the personal account of the promoters and their spouses through their dummy director held companies. In this case the ED had earlier attached Rs 113 crore of assets.

We have sacrificed 2 PMs: Cong

On the issue of security, Congress underlined that the party has sacrificed two Prime Ministers in Indira Gandhi and Rajiv Gandhi for unity and integrity of the country, while Congress's entire state leadership in Chhattisgarh was wiped out in a naxal attack in Jiramghati in May 2013.

"Bharat Jodo Yatra is a padayatra to bring peace and harmony to the country. The government should not indulge in vindictive politics and ensure the safety and security of the Congress leaders," Venugopal said.

"Moving forward, Bharat Jodo Yatra is slated to enter the sensitive states of Punjab and J&K in the next phase starting from January 3, 2022. In this regard, I request you to take immediate steps to ensure the safety and security of Rahul Gandhi, a Z-plus protectee, and of all the Bharat Yatris and leaders joining the Bharat Jodo Yatra," he wrote.

CBI clean chit to Chandy in sexual exploitation case

Thiruvananthapuram: The Central Bureau of Investigation (CBI) has given a clean chit to former Kerala Chief Minister Oommen Chandy in the sexual exploitation allegation levelled by a woman, who is the prime accused in the sensational solar scam that had rocked the southern state when his government was in power nearly a decade ago.

The CBI, which carried out a detailed enquiry in the case, submitted a referral report in the Chief Judicial Magistrate Court here on Tuesday, exonerating Chandy in the case, prompting the Congress to seek apology from Chief Minister Pinarayi Vijayan for recommending Central agency probe into the allegation made by the accused woman.

The CBI also submitted another referral report in the court exonerating BJP leader A P Abdullakutty in the sexual exploitation complaint by the woman.

The case against Abdullakutty had been registered in 2014 when he was a Congress MLA from Kannur. He later joined BJP.

The CBI had earlier submitted referral reports in the court giving clean chit to four other Congress leaders including AICC general secretary K C Venugopal, Lok Sabha MPs Adoor Prakash and Hibi Eden and MLA A P Anil Kumar who were named as accused in the sexual exploitation case filed by the woman, party leaders said.

Sources said that the CBI probe has found that there was no basis for the woman's allegation against Chandy as there was no evidence to prove that she had gone to the official residence of then Chief Minister on that particular day. PTI

UGC meet today on starting Academic Bank of Credits

Manash.Gohain @timesgroup.com

New Delhi: The University Grants Commission (UGC) will discuss initiating operationalisation of the Academic Bank of Credit (ABC) with universities on Thursday. During the deliberation the National e-Governance Division (NeGD) of the ministry of electronics and information technology will share the end-to-end flow and guide of the ABC for the institutions. By using ABC, students can switch between institutions and programmes and earn requisite credits before getting the final degree from the parent university. The commission on Tuesday has also instructed the universities/institutions to register in the single window ABC system.

The ABC, implemented under the National Education Policy 2020, is a national-level initiative to store the academic credits earned by students in higher education institutions (HEIs). It will also facilitate students to maintain and transfer credits between HEIs and programmes. All students will be able to open accounts in the ABC to commute credits towards the award of desired degree, diploma or certificate under the multiple entry and exit system in higher education.

"Several institutions have registered for the Academic Bank of Credits, which has paved the way for uploading students' credentials on the ABC Portal. Immense flexibility is provided to the students through ABC to pursue their education through the option of Multiple Entry and Exit in academic programmes. ABC provides better mobility for students to move from one institute to another or to move from one discipline to another by storing the credits earned in ABC. On December 29, UGC is meeting the vice-chancellors to encourage them to adopt ABC for all the current students," said M Jagadesh Kumar, chairperson, UGC.

Apart from the conventional HEIs, the commission has also asked students enrolled in institutions offering programmes in online and distance mode to create their account in the ABC Portal.

The students will be provided with a unique ID and access to the standard operating procedure (SOP). Apart from credit deposits, the ABC will also provide a variety of services which include credit verification, credit accumulation, credit redemption and authentication of academic awards.

The UGC in its letter to the universities said that "it is essential that all universities with approval from their statutory authorities/amendment of extant ordinances, register with the ABC and monitor the development and operationalisation of the ABC programme at the university level."

He also highlighted that in Jawaharlal Nehru's first cabinet, five out of 14 ministers were from non-Congress parties. Painting a grim picture of the country under the BJP, Kharge said, "The fundamentals of India are being constantly attacked.
