PROPRIETARY CERTIFICATE FOR HUMPHREY FIELD ANALYZER HFA3 850

Dear Sir,

We hereby certify that the **Humphrey Field Analyzer HFA3 850** is the proprietary product of **Carl Zeiss Meditec, Inc, USA**.

The latest **HFA3 850** is designed to satisfy the needs of practitioners, technical professionals, institutions and organizations whose primary focus requires the most cost-effective standard of care for clinically validated, high degree of testing flexibility and universal understood analysis output for marking and management decisions in diseases and conditions resulting in functional visual field loss.

Validated by more than 30 years of research, design and clinical experience, it is the accepted standard of care to aid in glaucoma diagnosis and management. The **HFA3 850** is the premier automated visual field analyzer and continues to set the gold standard for quality, precision and innovation worldwide.

The **HFA3 850** provides a streamlined and faster workflow with an array of new features designed to :

Reduce setup time

Save time with an intuitive new SmartTouch interface that helps to shorter chair time.

Accelerate clinic flow with equipment that can be learned quickly and operated easily.

Improve confidence in test results

Gain piece of mind with seamlessly transferability of legacy data from the HFA II to the HFA3.
