## CONCERNS OF HEALTH DEPT' GROW AFTER 140 MIGRANTS WHO ARRIVED IN STATE BETWEEN MAY 4 AND MAY 10 TESTED -VE

Sanjay Kumar, Bihar's health secretary, expressed concerns over the state government's decision to reduce the quarantine stay for migrants to 14 days. He said that the decision could lead to the spread of the virus to other parts of the state. He also said that the government should provide better facilities to the migrants in the camps.

The health department has reported that 140 migrants who arrived in the state between May 4 and May 10 tested negative for COVID-19. This is a relief for the government, but it also raises concerns about the possibility of the virus spreading to other parts of the state. The health secretary has said that the government should continue to monitor the situation closely and provide better facilities to the migrants in the camps.
