CONDITIONS OF CONTRACT

Compensation

Clause-1. All compensation or other sums of money payable by the contractor to I.G.I.M.S., Sheikhpura, Patna-14 under the terms of his contract may be deducted from, or paid by, the sale of a sufficient part of his security deposit, or from the interest arising there from or any sums which may be due or may become due to the contractor by I.G.I.M.S., Patna-14 on any account whatsoever, and in the event of his security deposit being reduced by reason of any such deduction or sale of aforesaid, the contractor shall within ten days thereafter make good in case of Government Securities endorsement as aforesaid any sums or sums which may have been deducted from or ansed by, sale of his security deposit or any part thereof.

\*The work should not be considered finished until such date as the Executive Engineer shall certify as the date on which is finished after necessary rectification of defects as pointed by the Executive Engineer or his authorized agent are fully complied with by the contractor to the Executive Engineer's satisfaction.

Clause-2. The time allowed for carrying out the work as entered in the tender shall be strictly observed by contractor and shall be reckoned from the date on which the written order to commence work is given to the contractor. The work shall throughout the stipulated period of the contract be carried on with all due diligence (Time being deemed to be the essence of the contract on the part of the contractor) and the contractor shall pay as compensation as amount equal to 1/2% on the amount of the estimated cost of the whole work as shown by the tender for every day that the work remain uncommenced or unfinished after the proper dates. And further to ensure good progress during the execution of the work the contractor shall be bound, in all cases in which time allowed for any work exceeds one month to completed 1/4th of the whole of the work before 1/4th of the whole time allowed under the contract has elapsed, on half of the work before one half of such time elapsed, and 3/4 of the work before 3/4 of such time has elapsed. In the event of the contractor failing to comply with this condition, he shall be liable to pay as compensation an amount equal to 1/2 % on he said estimated cost of the whole work for every day that the due quantity work remains incomplete, provided any as , that the entire amount of compensation to be paid under the provisions this clause shall not exceed 10% on the estimated cost of the works as shown in the tender

\*Action when whole security deposit is forfeited.

Clause-3. In any case in which under any clauses or clauses of this contract the contractor shall have rendered him-self liable to pay compensation amounting to the whole of his security deposit in the hand of I.G.I.M.S., Patna-14 (whether paid in one sum or deducted by installment) the Executive Engineer on behalf of the I.G.I.M.S., Patna-14 shall have power to adopt any of the following courses, as he may deem best suited to in the interest of the I.G.I.M.S., Sheikhpura, Patna-14.

A- To rescind the contract (of which rescission notice in writing to the contractor under the hand of the Executive Engineer shall be conclusive evidence) and in which case the security deposit of the contractor shall stand forfeited, and be

absolutely at the disposal of I.G.I.M.S., Patna-14.

- B- To employed labour paid by the I.G.I.M.S. Patna and to supply materials to carry out the work or any part of the work, debiting the contractor with the cost of the labour and the price of the materials (of the amount of which cost and price certificate of the Executive Engineer shall be final and conclusive against the contractor) and crediting him with the value of the work done, in all respects in the same manner and at the same rates as if it had been carried out by contractor under the terms of his contract, the certificate of the Executive Engineer as to the value of the work done shall final and conclusive against the Contractor.
- C- To measure up the work of the contractor and to such part of the work of the contract as shall be unexecuted out of his hands, and to give it to another contractor to complete, in which case any expenses which may be incurred in excess of the sum which would have been paid to the original contractor if the whole work had been executed by him (of the amount of which excess the certificate in writing of the Executive Engineer shall be final and conclusive) shall be born and paid by the original contractor and may be deducted from any money due to him by I.G.I.M.S., Patna, under the contractor or from his Security Deposit or the proceeds of sale thereof, or a sufficient part thereof.

In the event of any of the above course being adopted by the Executive Engineer, the contractor shall have no claim to compensation for any loss sustained by him by reason of his having purchased or procured any materials, or entered in to engagement, or made any advances on account of with a view, execution of the work or the performance of the contract. And in case the contract shall be recinded under the provision aforesaid, contractor shall not be entitled to recover or be paid any sum for any work there-to-fore actually performed under this contract unless and until the Executive Engineer shall have certified in writing the performance of such work and the value in respect thereof and be shall only be entitled to be paid. The value so certified.

**Clause-4.** – In any case in which any of the powers, conferred upon the Executive Engineer by clause- 3 thereof, shall have become exercisable and the same shall not be exercised, the non-exercisable thereof shall not constitute waiver of any of the condition thereof and such powers shall not with standing be exercisable in the event of any future case of default by the contractor for which by any clause or clause hereof he is declared liability to pay compensation amounting to the whole of his security deposit and liability of the contractor for past and future compensation shall remain unaffected. In the event of this the Executive Engineer putting in force the powers vested in him under the proceeding clause he may if he so desires, take possession of all or any tool plants, materials and store, in or upon the works, or the site thereof belonging to the contractor, or procured by him and intended to be used for the execution of the work or any part thereof, paying or allowing for the same in the account at the contract rates, or, in case of these not being applicable, at current market rates to be certified by the Executive Engineer whose certificate thereof shall be final, otherwise the Executive Engineer notice in writing to the contractor or his clerk of the work foreman or other authorized agent require him to remove such tools plant materials, or stores from the premises (within a time to specified in such notice) and in the event of the contractor failing to comply with any such requisition the Executive Engineer may remove them at the contractors expenses or sell them by auction or private sale on account of the contractor and his risk in all respect and the certificate or the Executive Engineer as to the expense of any such removable and the amount of the proceeds and expense of any such sale shall be final and conclusive against the contractor.

Contractor remain liable to pay compensation if action not take under clause-2

Power to take possession of or require removal of or sell contract plant.

**Clause- 5:** - If the contractor shall desire an extension of the time Completion of the work, on the ground of his having been unavoidable hindered in its execution or any other ground other than those mentioned in Clause –12 (a) he shall apply in witting to the Executive Engineer within **40** days from the date of starting of the hindrance on account of which he desire such extension as aforesaid, and the Superintending Engineer shall, if in his opinion/(Which shall be final) reasonable

Extension of Time.

grounds be shown therefore and the such extension of time if any as many in his opinion be necessary are proper Executive Engineer at the same time inform the contractor whether he claim compensation for delay.

Final Certificate

**Clause-6: -** On completion of the work, the contractor shall be furnished with a certificate by the Executive Engineer (hereinafter called the Engineer in Charge) of such completion, but no certificate be given, or shall the work be considered to be complete until the contractor shall have removed from the area of the premises (to be distinctly marked by the Executive Engineer in the site plan) on which the work shall be executed, all scaffolding, surplus materials, and rubbish and cleaned off the dirt from all wood-work, doors, windows, walls floors of other parts of any building in upon or about which the work is not be executed, or of which he may have had possession for the purpose of the execution thereof, not until the work shall have been measured by the officer of the I.G.I.M.S., Patna-14, in accordance with the rules of the Institute whose measurements shall be binding and conclusive against the contractor. If the contractor fail to comply with the requirement of this clause as to removal of scaffolding, surplus materials and rubbish and cleaning off duration or before the date fixed for the completion the work the Engineer-in-charge may at the expenses of the contractor remove such scaffolding, surplus materials and rubbish and dispose of the same as he think fit and clean of such dirt as aforesaid, and the contractor shall forthwith pay the amount of all expenses so incurred, and shall have no claim in respect of any scaffolding or surplus materials as aforesaid, except for any sum actually released by the sale thereof.

Payment of In terms date certificate to be regarded as advance and bill to be submitted monthly.

**Clause- 7: -** A bill shall be submitted by the contractor each month on or before the date fixed by the Engineer-in-charge for all work executed in the previous months and the Engineer-in-charge or his subordinate shall take the requisite measurement for the purpose of having the same verified and the claim, as far as admissible adjusted, if possible before the expiry of ten days from the presentation of the bill. If the contractor dose not submit the bill within time fixed as aforesaid, the Engineer-in-charge or his subordinate shall measure up the said work in the presence of the contractor whose counter signature to the measurement list will be sufficient warrant; and the Engineer-in-charge or his subordinate shall prepare a bill from list which shall be binding on the contractor in all respects.

Provided that, if any balance of the 10% security is out-standing from each such payment shall be deducted so much not exceeding 05% as may be necessary to make up the balance of the Security. All such intermediate payments to the contractor shall be regarded as payment by way of advance against the final payment only and not as payments for work actually done and completed, and shall not precede the requiring of bad unsound and imperfect or unskillful work to be removed and taken away and reconstructed or re-created, or be considered as an admission of due performance of the contractor, or any part thereof in any respect, or the actual of any claim nor shall it conclude determines or affect in way the powers of the Engineer-in-charge under these conditions or of them as to the final settlement or adjustment of the accounts or otherwise of any other way very of effect the contract.
